Risk Warning Notice

Trading Contracts for Differences (CFDs) carries a high level of risk to your capital, and is not suitable for all investors.

Professional clients can lose more than they deposit.

Trading or placing any bets can result in consumers incurring liabilities in excess of their initial stake.

Please ensure you fully understand the risks, and seek independent advice if necessary. Synergy Markets Ltd is authorised by the FCA to provide advice on shares, bonds, and CFDs.

Before we can begin to send you our advisory recommendations you must complete our application and fact-find documentation and accept that you fully understand the risks involved.

We will also require you to open a trading account with one of our third party preferred providers and details of this will be sent to you upon completion of the advisory application form.

By completing, signing and submitting the Synergy Markets Ltd on boarding documentation you are confirming that you have read and agreed to our Terms of Business and Risk Warning Notice.

Before trading Contracts for Difference, ensure you fully understand the risks involved. These products may not be suitable for all types of investor.

CFDs are complex instruments and come with a high risk of losing money rapidly due to leverage. Between 74-89% of retail investor accounts lose money when trading CFDs. You should consider whether you understand how CFDs work and whether you can afford to take the high risk of losing your money.

Leveraged products carry a high degree of risk for your capital, and in some circumstances you may be liable for a greater sum than your initial capital invested.

Past performance is not necessarily a guide to future performance. Seek independent financial advice if necessary. Synergy's services are suitable only for people over the age of 18. Information and analysis produced by Synergy Markets Ltd does not constitute a recommendation or offer to make a transaction in any derivatives or securities, and is intended to be general in nature.

Please ensure you fully understand the risks, and seek independent advice if necessary.
